## PROFESSIONAL SUMMARY

---

Results-driven Backend Developer skilled in Python, Django, Flask, and MySQL, and Git, building scalable web applications like a Django Job Portal and Smart News Summarizer. Proficient in secure user authentication, REST API integration, and database optimization, delivering user-focused solutions. Quick learner and team player committed to clean code and collaborative problem-solving.

## PROJECTS

**Full Stack Django Job Portal Backend Project | Django, Python, MySQL, Gmail API, HTML, CSS, JavaScript, Bootstrap**  
GitHub- ( <https://github.com/adikanta321/Django-Job-Portal-Project-Auth-CRUD.git> )

- Developed a scalable job portal using Django, Python, MySQL, and Bootstrap 5, with secure email authentication, automated job applications, and an admin dashboard for efficient CRUD operations.
- Designed a responsive UI with real-time job listings and dynamic user feedback, enhancing user experience and system performance.

**Smart News Summarizer | Python, MySQL, Tkinter, Gmail API**

GitHub- ([https://github.com/adikanta321/Python\\_repo.git](https://github.com/adikanta321/Python_repo.git))

- Designed and built an interactive GUI-driven platform for aggregating news articles with MySQL, ensuring structured data storage and retrieval.
- Implemented PDF export functionality and enhanced authentication features, improving security and user accessibility with seamless sign-in, registration, and password recovery.

## SKILLS

- **Programming Languages:** Python (Core & Advanced), HTML, CSS, JavaScript
- **Frameworks & Libraries:** Django, Flask, NumPy, Pandas, Matplotlib
- **Database:** MySQL, MongoDB, Query Optimization, Data Storage, and Retrieval, SQL
- **Developer Tools:** GitHub, PyCharm, Google Cloud Platform, and VS Code, Anaconda
- **Soft Skills:** Communication, Problem-Solving, Adaptability, and Critical Thinking

## CERTIFICATE

- Earned Python Certificate from Hacker Rank ([Certificate available on LinkedIn](#))

## EDUCATION

- **Master of Computer Applications (MCA)**

Biju Patnaik University of Technology, Odisha

- **Bachelor of Science in Zoology (Hons.)**

Utkal University - Nov 2020 – Jul 2023  
CGPA: 8.30 (Equivalent: 78%)
